

Provide Patient Portal Access

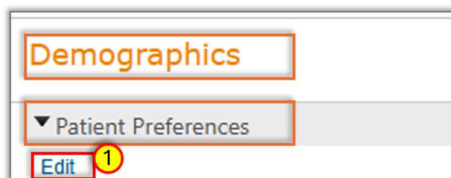

Documentation required:

1. **Treatment Location**
2. **Patient Portal consent**
3. **3rd Party Application consent**
4. **SAVE**

Documentation must occur within 4 business days of the patient visit to meet the measure.

Leaving any documentation areas blank or as “not selected” will not meet the measure.

1. Go to the **Demographics** tab, scroll down to **Patient Preferences**. Click **Edit**.

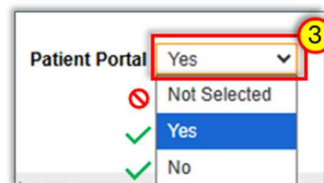

The screenshot shows the 'Demographics' tab selected. Below it, the 'Patient Preferences' section is expanded. The 'Edit' button is highlighted with a red box and a yellow circle with the number 1.

2. Use the drop-down arrow in **Treatment Location** to select **location**.

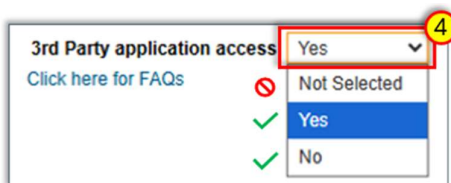

The screenshot shows the 'Treatment Location' drop-down menu. The text 'NJ Office' is visible, and the drop-down arrow is highlighted with a red box and a yellow circle with the number 2.

3. Use the drop-down arrow in **Patient Portal** to select **Yes or No**. **Note:** Selecting either **Yes** or **No** will meet the measure.

The screenshot shows the 'Patient Portal' drop-down menu. The text 'Yes' is selected, and the drop-down arrow is highlighted with a red box and a yellow circle with the number 3. Below the menu, there are green checkmarks next to 'Yes' and 'No', and a red X next to 'Not Selected'.

4. Use the drop-down arrow in **3rd Party Application Access** to select **Yes or No**. **Note:** Selecting either **Yes** or **No** will meet the measure.

The screenshot shows the '3rd Party application access' drop-down menu. The text 'Yes' is selected, and the drop-down arrow is highlighted with a red box and a yellow circle with the number 4. Below the menu, there are green checkmarks next to 'Yes' and 'No', and a red X next to 'Not Selected'.

5. Click **SAVE**.

The screenshot shows the 'SAVE' and 'CANCEL' buttons. The 'SAVE' button is highlighted with a red box and a yellow circle with the number 5.
