

Date of Death Documentation

This lesson covers the required steps for documenting **Date of Death**, required for MIPS measures:

- **#457 Patients Admitted to Hospice for less than 3 days**
- **#453 Proportion of Patients Receiving Chemotherapy in the Last 14 days of Life**
- **#PIMSH9 Proportion of Patients Receiving Supportive Care Drugs in the Last 14 days of Life.**

The screenshot shows the top navigation bar with tabs: Profile, Flowsheet, Orders, Results, Documents, and Demographics. The Demographics tab is highlighted with a red box and a yellow circle labeled '1'. Below the tabs, the 'Demographics' section is visible, followed by 'Patient Information'. In the Patient Information section, the 'Edit' button is highlighted with a red box and a yellow circle labeled '2'.

Demographics

1. Click Demographics to enter the date of death.
2. Click Edit to update information.

The screenshot shows the 'Patient Status' drop-down menu. The menu is open, displaying the following options: Active, Inactive, Deceased, Hospice, and Unknown. The 'Deceased' option is highlighted with a red box and a yellow circle labeled '3'.

3. Click on **Deceased** in the **Patient Status** drop-down list.
